Letter From The Pastor

Dear Parishioners,

On this fifth Sunday of Lent, let us continue to encounter Christ in prayer, in study of His Word, by service and through our acts of giving. Let us pray for the grace to be perfected in our observance of the Law of Love. Through the Spirit dwelling in us, we can turn away from sin and be faithful to the Gospel.

We offer our best wishes to Msgr. Diego Conesa at the 10:00 a.m. Mass this weekend as he prepares to take leave of Sun City Center and take up residence in Spain. Monsignor is celebrating 60 years of priesthood and has been a blessing to our community for many years. We will continue to be brothers and sisters in the Lord with him through our prayer. There is a light reception for Monsignor following Mass in the Conesa Center.

On the first Monday of the month, we offer the Sacrament of the Anointing of the Sick at the 8:00 a.m. daily Mass. Following Mass, we pray the Litany of St. Michael of the Saints. St. Michael was a Trinitarian friar who is invoked for healing for those afflicted with cancer. In addition, we now have images of St. Peregrine, also a powerful intercessor for those suffering from cancer, with prayers given to us by the National Shrine of Peregrine to be used in one’s home for a week at a time. If you would like to have these images and prayers in your home for a week, please contact the parish office for sign-up.

As part of our parish health ministry, parish community nurses will be available on Monday, April 3, 9:00 – 11:00 a.m. to assist you with health-related questions. Come and see their new office on the second floor of the Conesa Center. Thank you to Barb Caleca for organizing this important outreach.

May the Lord bless you and your families – Father Kovanis

Are you finding *Rediscover Jesus* helpful in developing a deeper relationship with the Lord?

Remember it’s a toolbox. Each chapter is like a tool in that toolbox. Some chapters will have great significance to some and little to others. Mark those chapters that you have found most helpful.

I know for those who had the good Sisters as teachers it may seem terrible that you are making notes in the book or highlighting passages. No, you do not have to confess those transgressions. It’s your book, it’s your tool. Just like a toolbox left in the garage serves little purpose unless the tools are used. The question you can ask yourself is *How well or often am I using the Rediscover Jesus tool?*

**Understanding Diabetes**

The Health Ministry is hosting a diabetes educational session on Tuesday, April 18 at 10:00 a.m. in the Conesa Center. Soham P. Patel, MD, a practicing physician with the Center for Diabetes and Metabolic Disorders in Brandon, will share information on what is diabetes, the latest forms of treatment to control it, and steps to take to prevent it. This will be an interactive presentation with discussion that relates to the situations and questions of those present. So mark your calendars and come with all your questions!
Respect Life...On the second Saturday of each month a team of Prince of Peace parishioners attends the 8:00 a.m. Mass, and is blessed by the presiding priest at the conclusion of Mass. We then carpool to the Fletcher Abortion clinic for about an hour and a half prayer vigil. All parishioners are invited to participate. Just bring a chair, and an umbrella if you need one, and join us. Praying for an end to abortion, and for the abortionists and their staff, is a vital program of our church. Consider that in calendar year 2016, there were 69,765 abortions in the state of Florida, with 7,180 in Hillsborough County. Of these, more than 64,000 were elective abortions. Interestingly, only 90 abortions were because of a life-ending physical condition of the mother or because of other non-life threatening conditions of the mother. None were attributed to incest, and only 77 were performed because of an emotional condition of the mother. Prayer vigils and the work of sidewalk counselors at these abortion clinics are an effective way to fight against the evil of abortion. Babies have been saved because of prayer vigils and counseling of expectant mothers coming to the Fletcher Clinic.

If any of you shop online at Amazon, go to “Amazon Smile” when you log in, and then choose a charity – choose “Florida Right To Life.” For every dollar that you spend, Amazon will donate 5% to Florida Right To Life. Another way to participate in Respect Life initiatives is by having a “Choose Life” license plate on your auto. You may switch to “Choose Life” plates at any time for a one-time $40 fee. After that, there is an annual fee of $25 when you renew your registration; $5 goes to the State, and $20 goes to Florida Right To Life.” Let’s see more “Choose Life” plates in our parking lot.

So let’s all do our part in witnessing to the Sanctity of Life by our prayer vigils, by our license plates and by supporting Florida Right To Life when we use “Amazon Smile.”

Contact Paul or Lou Carren at 633-9260 for further information.
**Bereavement Support Group**

The spring session will begin on Wednesday, April 5, 1:00 p.m., and will continue for six weeks in the Conesa Center. This support group is based on the teachings of the Catholic Church. It is confidential and will cover topics such as the spiritual elements of grief and healing; surviving stress and loneliness, and working through anger and confusion.

Registration is now open for those who have lost a loved one. If you were part of a bereavement group in the past, but feel you need a refresher course, this is a good opportunity for reaffirmation. For more information contact Jeff Stephanz at 634-2328, or jeff@popcc.org.

The Ministry of Hospitality

The ministry of ushers is the oldest lay ministry in the Catholic Church. The ushers of today have descended from a long line of people of God who have gone before them. We see their antecedents in 1 Chronicles where they are called the “gatekeepers.” During the time of Christ, the temple guard numbered in the hundreds and were the forerunners of today’s ushers.

The more immediate predecessor of today’s usher can be found in the clerical order of porter, instituted in the 3rd Century A.D. During those times, it was the duty of the porters or ushers to guard the door of the church against any intruders who might disturb the service. The porter duties were so important that they came to be included in the rite of ordination, where they were specified as: “to ring the bells, open the church and sacristy, to open the book for the preacher.” In 1972 Pope Paul VI abolished the order of porter and this important task was given over to the laity.

Through Baptism, we are all called to be a “holy people and royal priesthood” (I Peter 2:9), whose right and privilege it is to participate in Christ’s own ministry. How we do so varies from person to person, but the most important way is “conscious, active, and fruitful participation in the mystery of the Eucharist” (GIRM, Intro. 5). Since the Eucharist is the “action of the whole Church” (GIRM, Intro. 5), all of us have an “individual right and duty to contribute” (GIRM, 58). Some are called to do so in a more particular way through liturgical ministries such as Usher.
